High School Students At Performance Shakespearean Play At Stratford

Forty Students Attended the Performance of "The Merry Wives of Windsor"

For a number of years, the Stirling-Rawdon District High School Board has made it possible for the Grade 11 students at the local school to attend the Stratford Shakespearean Festival for one performance of a Shakespearean play. This year forty students bought tickets for "The Merry Wives of Windsor" and devoted a Saturday to becoming better informed about English literature and the theatre.

Two accounts written by Grade 11 boys for their English teacher follow.

STRAFORD ON THE AVON

(by George Reid)

Were the wives of Windsor really merry? I think they were.

We filed down the aisle, and to my surprise, found our seats to be situated in the first four rows of the gigantic auditorium. It was a short time from when we were all seated till the long-awaited festival began.

As the actors came onto the stage, each in different scenes, we felt ourselves turning back time into the Shakespearean Age. The costumes were of excellent taste, displaying the dress of the time, but most excellent was the acting of the cast and everyone appreciated it. Several times the play was interrupted by bursts of applause from the audience.

The building shook with laughter as the merry wives of Windsor delivered a fat old lover time and time again. Mrs. Page not only led this dear old gentleman astray but also nearly drove her husband mad as he tried to discover them but only to fail each time. It just goes to prove that the wives were not only merry but contriving.

By six o'clock we were on our way homeward and the day was growing to a close. The festival had been somewhat different from what we had expected. Most teenagers regard Shakespeare as "a pain in the neck" and "a drag." However, our Saturday had been filled with laughter and fun and we returned with a fresh point of view concerning one of the world's greatest writers. We would not soon forget September the 23rd, 1967.

HONESTY PAID FOR THE "MERRY WIVES OF WINDSOR"

(by Jim Rawlings)

There were, we expectedly seated and observing the performance unfolding before our eyes when to our astonishment a stout man dressed in pedlar's garb came running before us, being beaten mercilessly by none other than the merry wives of Windsor. An unusually rare situation I admit, and it was only one of the humorous incidents which frequented this presentation of Shakespeare's "The Merry Wives of Windsor".

Yes, on Saturday the twenty-third of September, through the courtesy of the Stirling-Rawdon District High School Board, a free bus was provided to transport forty students to the Shakespearean Festival in Stratford. I agree Shakespeare can be boring reading, but presented on the stage, it is a spectacle which no one should be deprived of seeing. If I could go again I certainly would grasp the opportunity to enjoy one of William Shakespeare's productions.

The general plot revealed a large, middle-aged man who fancied himself a lady-killer. He made love to two married women, the merry wives of Windsor, and they were so humiliated by this big fool that they arranged a villainous plot against their would-be suitor. They pretended to encourage him and when he came to woo them, he by an ingenious series of carefully co-ordinated events was first thrown into the river with the laundry in which he was hiding and then was well-beaten while disguised as a pedlar. The two wives thus showed their suspicious husbands that wiv-

Sports Notes

(By Bob Taylor)

Centre Hastings Hockey League held its initial reorganizational meeting for the coming season at Elaine Footwear Monday night. Five teams were represented from last year's seven team loop and the remaining two sent word that they expect to enter teams.

Bill Blakeley, Stirling, was elected President and a rules committee was formed to meet on Thursday evening to adjust league amendments. Those sitting on the rules committee other than the president are league secretary Robert Taylor, Richard Chapman and Howard Fosbury.

Another general business meeting will be held Tuesday, October 10th at the Stirling Fire Hall.

Tommy Glover, Trenton, and Doug Potts, Stirling, two members of last year's Glen Ross Rebels (Inter-County team) have been working out at the Belleville Junior "B" McFarland's. Doug Potts' younger brother, Don, has also been attending workouts and it was understood that Peter Utman, another local puckster, would be trying out. Glover has also been trying out with the Canadian National team and the Belleville Mo-Hawks.

A four team Junior "D" loop will operate in the district this winter. The league will consist of Campbellford, Tweed, Wellington and Mar-mora.

es can be honest as well merry, and they succeeded in attaining the undying loyalty of their men.

We also had time to eat our lunch along the Avon River and feed the ducks and swans that grace its calm waters. Several of us found that swans will try eating fingers as well as bread crusts, but I am sure they didn't find them as appetizing.

This adventure began at seven o'clock in the morning and concluded at eleven at night as we came to a halt at the school. It certainly will not be forgotten by all those participating.

Paper Published Thursday Next Week

As Monday, October 9th, will be observed as Thanksgiving Day by the business places in Stirling, The Stirling News-Argus will not be published until Thursday, October 12th. Advertisers and correspondents are asked to send in copy as early in the week as possible.

There will be no admission charge.

Barn Destroyed By Fire Sunday

A barn on the farm of Joe Thompson (the former Fox farm) on the northern outskirts of the village, was completely destroyed by fire on Sunday afternoon. No cattle or machinery were in the barn.

By the time the Stirling Fire Department received the call the barn was a mass of flames. They kept the fire contained to the barn and were able to save nearby drive sheds.

Cause of the fire is still undetermined.

We're Expecting ! (A CROWD)

There were about thirty Senior Citizens present last week when it was announced that on October 5th the Senior Citizens Club will be one year old. Yup, we got our first birthday and are going to celebrate it by having a pot luck dinner this Thursday, October 5th at 1 o'clock. Bring a knife, fork, spoon, plate and a mug. O yes — also bring one dish of food. Hot or cold — we eat everything.

We feel that our club is a worthy Centennial Project. For the few who dreamed it up and were responsible for its organization, we especially invite you to join us at our dinner on October 5th at 1 o'clock.

We are also indebted to the many organizations and individuals who through the year provided treats, lunches, programmes, trips and games. A special thanks to the A.F. & A.M. for our free home.

Thanks everyone, both in the Village and the surrounding communities, you've been wonderful. We are happy to note that members are coming from out of town. This is not a local club only, it's a Senior Citizens Club, and we welcome all (senior citizens) where ever you live.

Sh! Don't mention it, but we're expecting the newly-weds at this dinner.

Postal Rates On Increase

Effective October 2nd there was an increase in postal rates on Parcel Post, Printed Matter and C.O.D. items.

Canada has been divided into five mailing zones, for parcel post mailings — Atlantic (N.S., N.B., P.E.I. and Nfld.); Quebec; Ontario; Man. and Sask.; Alberta, B.C. and Yukon. For rates please contact local post office. The minimum parcel post rate is now 10c (first 4 oz.). This will effect mailers of small parcels, especially films.

The printed matter rate in Canada is now 3c for the first 2 oz. and 2c for each additional 2 oz. up to a weight of 1 lb. After 1 lb. 1c for each 2 oz. This increase does not effect greeting cards. The rate remains at 3c for the first 2 oz.

Parcel post insurance was formerly free up to a \$50.00 value. This free insurance has been discontinued and the fees are: Up to \$10.00, 10c; over \$10.00 to \$50.00, 20c; over \$50.00 to \$100.00, 30c.

Many inquiries are being received concerning the proposed increase in first class mail to 6c. No date has been set for this increase to become effective, and 5c is still sufficient for postage.

The couple were married in Stirling and the attendants at that time were Mrs. Bryson Reid and Mr. Kenneth Belcourt. Both were present for this occasion.

The rooms were decorated with white bells and streamers and the tea table was centred with a beautiful three tiered anniversary cake decorated by Mrs. Mitts' sister, Mrs. Gordon Mitts, Ivanhoe. Red candles completed the decor.

Pouring tea were Mrs. Bryson Reid, Belleville; Mrs. Carmon Thompson, of Oshawa; Mrs. Farley Lindenfield, of

Stirling, and Mrs. Gordon Mitts, of Ivanhoe.

Serving were Mrs. John Cardinal, Oshawa; Miss Carol Lindenfield, Mrs. Ted Barnard, Mrs. Rayburn Wood, all of Stirling.

Mrs. Gordon Burrell was in charge of the kitchen duties.

Mr. and Mrs. Mitts received many lovely cards, gifts and good wishes. During the day Mr. and Mrs. Elmer Sandercock, Belleville, paid them a visit.

Receiving the guests were their son and wife, Gordon and Madeline Mitts, Stirling, and daughter and husband, Marion and Bob Sine, Belleville.

On Saturday night, September 23rd, the honoured couple were entertained at a family dinner at the Queen's Motor Hotel, Belleville, by their immediate family.

Paul Russell Liberal Candidate In Hastings

Liberals in Hastings last week confirmed a 33-year-old Belleville lawyer as party candidate in the October 17 Ontario election.

The man who has less than two

weeks to challenge the traditionally Conservative clump on the area is Paul Russell, a newcomer to politics.

He was acclaimed at a meeting of constituency Liberals at Hungerford Township Hall September 25th when no one rose to contest his nomination.

Mr. Russell is a law partner of Robert Temple, former Liberal MP for South Hastings.

Critically Injured In Spring Brook Crash

An 18-year-old youth was feared seriously injured in a spectacular highway crash at Springbrook, north of here Tuesday.

Police estimated property damage at nearly \$4,000 after a dump truck wrecked a car driven by Brian Caniff, of Crookston, at an intersection in Spring Brook.

Brian Caniff was rushed to Belleville General Hospital after his car was hit by a dump truck then rammed across McKeown's service station lot against two gasoline pumps.

One of the pumps was snapped from the ground and the Rawdon Fire Department was called out to standby while damage was being cleared.

A spectator said the dump truck, heading north on Highway 14, was empty at the time of the mishap.

The truck, owned by Bay City Construction, of Belleville, was driven by Harry Douglas Marshall.

MADOC DETACHMENT

Sept. 17th to 23rd

During the week of September 17th to 23rd officers of the Madoc Detachment of the Ontario Provincial Police spent 23½ hours in court with 24 convictions obtained. Magistrate R. C. Jackson was presiding and Mr. Glen Deline represented the Crown.

Attorney.

A total of ten vehicle accidents were investigated during this week, 6 of a property damage nature, 4 personal injury with 6 persons sustaining injury.

There were 57 occurrences reported — 3 thefts, 2 for break and enter, 2 assaults, 2 reported disturbances, with 48 miscellaneous occurrences.

Nine vehicles were safety checked, 13 traffic warnings handed out and 8 charges laid under authority of the Highway Traffic Act of Ontario.

3,840 miles of area roads were patrolled and 462 hours worked.

We would like to remind motorists that it is an offence under Sec. 51 (1) of the Highway Traffic Act, not to have the owner's name on the side of a commercial vehicle and

that this includes vehicles commonly referred to as one-half ton pick-up trucks.

During this past week we had rain for the first time in a number of days and in one hour had five vehicle accidents reported. This points to the fact that as motorists we must adjust to weather as well as traffic conditions.

OF MANY THINGS

By Ambrose Hills

"I'M TEMPTED TO GO BROKE"

In a small town not too far from Greenhorn Farm there are vast numbers of people on relief. The number shocked me, because the town had seemed so prosperous and busy. I asked a merchant about it, and his comment was a weird one. "Yes," he said, "I think at the very least, forty per cent of the families in this town are drawing relief. I hate to knock it, because they are my customers and spend pretty freely with me. But I must admit, I am sometimes tempted to go broke and join them. I see them out having fun when I am tied to this darn place day after day!"

I shook my head and went tsk, tsk, so he said, "Say — don't get me wrong! I wouldn't want anybody to suffer. I don't want any hardship, particularly for the kids."

I reassured him. I knew that he was a good man, a hard worker, and

a fair dealer, and of a kindly nature. But he went on and on with his insistence that he was progressive, that he believed in welfare payments, that he was a good, modern, kind and generous citizen. But it did gripe him to be down at 8.30, uncrating merchandise, totting up his books, (like me, he hates record keeping), making decisions and all the rest of it, while a large percentage of the other family men in town were living it up on welfare. He was pretty sure that he was paying the welfare with his taxes and in the price of the things he had to buy for his own family, but he just hated to get listed with the old-fashioned crowd that thinks of welfare as an evil thing — even though a necessary evil.

I came back home to the farm and did quite a bit of thinking about men like him, torn between a desire to be kind and progressive and a strong feeling that this welfare state business has got to be stopped before everybody gets "tempted to go broke."

I am not tempted to go broke, but it could happen very easily without too much effort on my part. I believe that if we all worked hard, we could build a society so prosperous that darn little welfare would be needed; and where it was truly needed, it could be generous. But I just can't swallow the idea that darn near half a good-sized town is on relief, a town right in the heart of one of Canada's most fertile and prosperous valleys! A valley where an hour of labour today will buy more potatoes than an hour's labour in the 1920's brought.

The welfare state may be a wonderful thing for those on welfare — but for how long can the rest of us afford it? And if the rest of us go broke, who is going to pay the welfare bills?

Ontario Population May Grow To 100 Million

Ontario may be entering a "non-too-quiet revolution in terms of both human and natural resources", says William H. Cranston.

Mr. Cranston, chairman of the Ontario Economic Council, told the annual Georgian Bay Economic Development Conference recently that the Great Lakes area one day will be one of the great industrial heartlands of the world.

They said that in a hundred years the population of Ontario may reach between 80,000,000 and 100,000,000.

And by that time "the most significant concentration of Ontario's and Canada's population will be in the

Great Lakes basin," which contains no less than a fifth of the world's supply of fresh water.

Because of the demand for water for industry, for agriculture, for tourists, "fearsome problems of potential pollution" might lie ahead.

In the Georgian Bay area since 1965 more than 700 new firms of branch plants had moved into the region. It was the duty of all to guard the beauty and resources of the region, while at the same time expand its productivity.

A copy of Mr. Cranston's remarks was released to the press in advance of delivery.

Do you like to gamble? The Ontario Safety League says that in an automobile collision at 20 mph the odds against suffering a fatal injury are 1000 to 1. At 75 mph the odds are reduced to 2 to 1.

If you're looking for a place to start on home improvements, consider these facts about electric wiring.

To most people, home improvements mean a paneled recreation room or a shiny new set of kitchen cupboards. But there's a way to improve the improvements: modernize your home wiring first.

Up-to-date wiring lets you make the most of the new room you're building, or the old one you're re-styling. It lets you place your lighting wherever you like, have as many electrical outlets as you choose, and use as many appliances as you need without popping fuses.

In fact, you'll notice pleasant changes all through your home. Modern wiring can improve the efficiency of your light-

ing and the performance of your appliances. It puts such comforts as electric heating and air conditioning well within your reach. It can also make a big difference to the safety and re-sale value of your home. Before you reach for your toolbox, reach for your telephone. Call a qualified electrical contractor, or your Hydro.

Up-to-date wiring costs less than you may think. Yet it could be your most important home improvement of all.

MR. AND MRS. ROSS MELVIN CARLISLE CARLISLE -- BUSH WEDDING

Baskets of fall flowers adorning the front of St. Paul's United Church, Stirling, made an appropriate setting for the wedding on September 9th, 1967, at 11:30 a.m. of Elaine Marie, youngest daughter of Mr. and Mrs. Kenneth R. Bush, R.R. 5, Belleville, to Mr. Ross Melvin Carlisle, youngest son of Mr. and Mrs. George Carlisle, R.R. 3, Stirling.

Rev. J. Bruce Small, assisted by Mr. Donald Hodgins, officiated at the ceremony. Mrs. Harleigh Hamilton played the wedding music. The soloist, Mr. Jack Bush, cousin of the bride, sang "The Wedding Prayer" before the ceremony and "The Lord's Prayer" during the signing of the register.

The bride, given in marriage by

her father, wore a full-length gown of white peau de sole. Lace appliques adorned her dress and detachable train. Her finger-tip bouffant veil of silk illusion fell from a headpiece of tulle leaves and lily-of-the-valley. She carried a white Bible crosted with a mauve orchid encircled with Stephanotis.

The matron of honour, Mrs. Shirley Ross, sister of the bride, was attired in a full-length dress of avocado green peau de sole, similar to the bride. The bridesmaids, Miss Judy Lawrence, of Frankford, and Miss Cheryl Duesbury, Belleville, cousin of the bride, wore attired alike in full-length dresses of gold peau de sole. The flower girl, Miss Julie Russell, R.R. 2, Harold, niece of the bridegroom, was attired in an avocado green peau de sole dress, identical to the matron of honour. All attendants wore headpieces of matching roses and veils. They carried crocheted cornucopie with bronze and yellow 'mums.

The ring-bearer, Donald Stacey, Newtonville, nephew of the bridegroom, carried a heart-shaped satin cushion with white ribbon and lily-of-the-valley.

Ralph Carlisle, of Stirling, was groomsmen for his brother, Bill Stacey, Newtonville, brother-in-law of the bridegroom and Raymond Ross, Belleville, brother-in-law of the bride, were ushers.

Following the ceremony, the reception was held at Aikens Hall for approximately 100 guests. Mr. Gordon Woods, uncle of the bride, was master of ceremonies.

The bridal table was attractively appointed with a three-tiered, swan pillared wedding cake, topped with a tiny crocheted basket, holding yellow and bronze flowers and ivy. Misted about the base was white tulle and gold rosebuds. Gold and green candles in crystal holders and the attendants' bouquets completed the setting.

The bride's mother received the guests wearing a sheath dress of silk shantung in champagne shade with a coffee shade lace jacket. A matching hat, brown accessories and a corsage of orange delight roses completed her ensemble. The bridegroom's mother assisted wearing a chocolate brown Italian matelasse dress with beige and brown accessories and a corsage of orange delight roses.

Guests attended from Chatham, Markham, Stirling, Wellman's Corners, Newtonville, Campbellford, Toronto, Frankford and Belleville.

For travelling, the bride chose a navy and white linen dress with matching jacket. Black and white accessories and a mauve orchid corsage completed her ensemble.

Mr. and Mrs. Ross Carlisle will reside at R.R. 3, Stirling.

Moore -- Lawes Wedding

On Friday evening, September 1st, 1967, St. John's Anglican Church, Stirling, was the setting for a candle-light wedding, when Mary Dianne Lawes, second eldest daughter of Mr. and Mrs. Allen Lesley Lawes, John St. Stirling, was united in marriage to Mr. Elwood Barrington Moore, son of Mr. and Mrs. Millard Moore, of Belleville.

The double ring ceremony was performed by Rev. Bruce Small, pastor of St. Paul's United Church, Stirling, against a background of red and white gladioli and white candles. The guest pews were marked with white satin ribbons and a red gladioli blossom. Mrs. Harry Brown, R.R. 3, Stirling, presiding at the organ, played traditional wedding music and accompanied Mr. and Mrs. Grant Richardson, R.R. 2, Stirling, when they sang "The Lord's Prayer" as a duet during the signing of the register.

Given in marriage by her father, the bride entered the church to the strains of "Praise My Soul, O King of Heaven." She wore a full length A-line bridal gown of nylon organza over taffeta with the bodice featuring a scooped neckline and lily-point nylon organza sleeves. Panels of lace extended down the sides of the dress and a detachable train gathered at the waist was enhanced with Chantilly lace trim. A four-tier nylon veil was caught to a floral headdress of nylon organza with satin petals adorned with seed pearls. She wore a strand of pearls and pearl earrings and carried a cascade of red carnations.

The matron of honour, Mrs. Gary Palmer, Cannifton, friend of the bride and the bridesmaid Mrs. Carl Jones, sister of the bride, were identically attired in floor length powder blue gowns in the empire style with crepe skirts and lace bodices. The gowns featured lace puffed elbow-length sleeves and scooped necklines. They wore white accessories and white floral headpieces of nylon organza and satin petals. Their jewellery consisted of pearl earrings and a

strand of pearls, gift from the bride. They carried a bouquet of red feathered carnations and white baby 'mums.

The junior bridesmaid, Miss Karen Lawes, sister of the bride, wore a white floor length gown with a crepe skirt and lace bodice. Her gown also featured lace puffed elbow-length sleeves and scooped neckline and a powder blue band and bow accented the waistline. She wore white accessories a strand of pearls and pearl earrings, also a gift from the bride. Her floral headdress was of powder blue nylon organza and satin petals. She carried a bouquet of red feathered carnations and white baby 'mums.

Mr. Gary Palmer, Cannifton, friend of the groom, was the groomsmen. The ushers were Mr. Albert Lawes, Montreal, brother of the bride, and Mr. Carl Jones, Batavia, brother-in-law of the bride. The groom's gift to the bride was a gold cuff link and tie bar with their names engraved on them.

The reception was held in St. Paul's United Church parlours, Stirling, where the bride's mother received the guests. She wore an aqua blue sheath of rayon crepe, a matching lace sleeveless coat, white accessories and a corsage of white carnations. Assisting was the groom's mother who wore a three piece lime green suit, white accessories and a corsage of white carnations.

For their honeymoon, the bride wore a two piece black and white checked suit, white shell, black accessories, red earrings and a corsage of red carnations. The couple will reside at 201 North St., Stirling.

Out of town guests were present from Belleville, Roslin, Tweed, Glen Ross, Madoc, Glen Miller, Cannifton, Batavia and Montreal.

The famous Helen Keller was brought to Alexander Graham Bell as a child unable to see, hear or speak. Later Miss Keller wrote: "Hearing is the deepest most humanizing, philosophical sense man possesses, and lonely ones all over the world, because of Dr. Bell's efforts, have been brought into the pleasant social ways of mankind."

THE GOOD DRIVER

"Accomplices in Murder" was the headline to an editorial in the Canadian Register, quoted by the Ontario Safety League. The reference was to parents whose children, ill-prepared for the responsibility of driving, shed blood on the road.

We are aghast at the mental picture of the dead at Hiroshima following the first atom bomb used in war. But there have been many times this number killed in cars in the United States and Canada since World War II. And there is only the annual expectation that traffic deaths will go on increasing with the added number of drivers and vehicles each year.

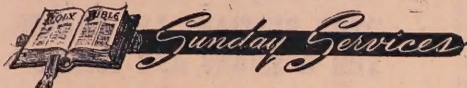

Statistics reveal the disproportionately large number of traffic fatalities in which the sixteen to twenty-four-year-old class is involved. A remedy seems obvious. The younger drivers must be made more responsible. While they have the physical requirements, they often lack the prudence and judgment careful car-handling demands.

Others beside the driver, however, share blame for highway deaths; particularly parents who allow teenagers behind the wheel too soon, too often.

No car keys should be handed over to boys or girls unless their parents are convinced that they have the sense of moral responsibility which driving entails. If parents think a boy's sixteenth birthday or his ability to pass a driving test gives this sense of moral values, they act like the juvenile himself.

Every sensible parent has definite ideas about his child's age and maturity when it comes to marriage. Parents will stand firm against a too young, too immature youngster eager to marry. After all, his life's happiness is at stake. But these same parents will often give in to this same too young, too immature youth, eager to drive the family car. Yet, here, many lives are at stake.

Irresponsible driving among young people, alas, often points behind them to irresponsible parents who hand over the keys too soon.

Stirling Blanks Nicholson College

Stirling's COSSA Senior "B" began the 1967 Bay of Quinte football season in the same manner as they ended it last fall.

The hard-running Stirling squad blanked Nicholson Catholic College 24-0 in a mud bath at the Belleville Fairgrounds Thursday afternoon.

Pairs of un-converted touchdowns in the first and second halves looked after the scoring while Stirling's defence turned in a great game to hold the Nicholson boys off the scoresheet. Garry Bateman ran 25 yards late in the second quarter for the opening major.

Les Pyear plunged across from the one-yard line to make it 12-0. Pyear scored his second touchdown on a two-yard end run.

Gary Richardson closed the scoring with a five-yard dive play off tackle late in the game.

What To Do About Flu

Ahead lie the months when 'flu flourishes at the expense of all too many victims. According to a pamphlet put out by the Canadian Tuberculosis Association, "Influenza — the Facts", children ten years of age and under are more open to attack than others but nobody is safe — as hundreds of thousands learn every year.

What can you do about 'flu? If you want to prevent it, the pamphlet states, the best thing to do is be vaccinated. So far vaccination is no hard-and-fast guarantee, because new strains of 'flu may get past the guard but, chances of escape are good. The Surgeon General of the United States has gone on record as saying that he believed that 60,000 out of the 86,000 influenza deaths which occurred in his country in three years could have been prevented by vaccination. That is nearly three out of four.

The leaflet tells about the causes of 'flu, who is in most danger from it, how it damages. It also makes six suggestions about how to cope if the virus does attack. Here are the suggestions:

Call your doctor.

Go to bed. Even if your aches and pains and sore throat turn out to be nothing but a cold, bed rest will help you get well sooner.

Keep warm and drink plenty of liquids if your doctor can't see you right away. A washcloth rung out of cold water and placed on your forehead may relieve your fever.

DO NOT take medicine your doctor does not prescribe.

Stay in bed until the doctor says you can get up. He will probably tell you to stay in bed for at least two days after the fever is gone.

Avoid exposure to other sicknesses after you get out of bed. 'Flu lowers your resistance.

St. Paul's Church Anniversary Sunday

REV. W. MORRISON KELLY

Guest speaker at St. Paul's United Church Anniversary this Sunday, October 15th, will be Rev. W. Morrison Kelly, M.A., B.D., S.T.M., of Emmanuel College, Toronto. Services will be held at 11.00 a.m. and 7.30 p.m. After the morning service, worshippers are invited to write out any questions they may have concerning the Christian faith, and place the paper in a ballot box at the door of the sanctuary. At the evening service Professor Kelly will preach and after the sermon will endeavour to answer these questions, and questions following orally from the congregation. Following the service there will be a social hour with coffee being served in the Church Hall.

THE YEARLINGS

Last Thursday over fifty Senior Citizens, bedecked with colourful hats and bisecting their faces with smiles, were seated all ready for the pot luck dinner (which was a doozy) in celebration of their first year in business, when into the club room walked the newly weds — were they surprised? They were greeted with a noisy standing welcome — you must have heard it down town.

At the head table, after George got over the shock, he said he felt like the cow that was being milked on a frosty morning (he appreciated the warm hand). A "Happy birthday to us" was sung by "us" and two anniversary cakes with a flaming candle on each appeared — a kindness of Gertrude Belshaw and Joan Bush. I think they were "his" and "hers", or as one oldtimer says "pointers" and "setters." I guess he knows bird dogs.

President George and Lil were just getting used to all this excitement when they were presented with a gift from the club, which proved to be a nest of TV tables and a box of surprises which they opened to the delight of all. George and Lil both expressed their thanks and then everybody wanted to make a speech congratulating them. The tea cups rang with the call for some nuzzling and they gave us a real exhibition — "right on the kisser."

Several of the organizers of the Club were present and Don Dean took time out to bring greetings from the Recreation Committee. Rev. Bruce Small was sorry to be out of town and Rev. M. Caswell called and expressed his best wishes to the Club. Father McGarvey took time from an unusual busy day to have dinner with us and before leaving spoke in his capable manner adding his blessing. Some one who called himself a well wisher sent us a 5 lb. box of chocolates. Who ever you are, thanks.

A moment of silence was observed in memory of Mrs. Rillis Herrington and Stewart Brady.

Visit Flying Club

On Sunday the Stirling Flying Club treated us to a visit to their flying field. The bus load enjoyed the view from this field and also the coffee break. This was followed by a colour tour of the district. Our club appreciates this kindness. Thanks fellows.

Killed At Madoc

Open little more than two weeks, the Highway 7 by-pass north of the Village of Madoc, now is marked by a multiple tragedy — caused by a two car crash that killed all three occupants Wednesday night, October 4th. The total of fatal victims was completed Thursday morning with the death in hospital in Belleville of 72-year-old Wesley Johnston, Stirling.

Instantly killed at the scene were Johnston's wife, Anna, 69, and Frederick Hall, 61, of Toronto.

Mr. Johnston was taken from the crash to Belleville General Hospital and was admitted in critical condition.

He was thrown from his automobile as the impact wrecked both cars at the by-pass.

The accident was the first serious mishap at the by-pass, where Highway 62 intersects the busy east-west Highway 7 route.

The by-pass is marked with a red flasher stop sign.

A warning sign is posted 750 feet south of the intersection. Highway 62 curves between the sign and the cross-road.

The Johnstons, who lived on John St., Stirling, who have relatives in Bancroft, were travelling north on Highway 62 when their car collided with the west-bound Hall vehicle.

Both cars were wrecked by the impact.

Morrow, R.R. 4, Stirling, and William Clarence West, son of Mr. and Mrs. Clare West, Stirling. James Morrow, brother of the bride, was organist, and Miss Isabel Archdekin, aunt of the bride, was soloist.

Given in marriage by her father, the bride wore an Empire styled A-line floor length gown of taupe de sole highlighted with insets of imported French lace appliques on bell sleeves and the hemline of the dress and chapel train. She wore a wedding ring handband of taupe de sole with French lace and seed pearls holding her chapel length veil, and carried a bouquet of white gladiolus and ivy.

Mrs. Helen Wright, sister of the bride, was matron of honour and the bridesmaids were Mrs. Margaret Hadley, sister of the bride; Miss Sue West, sister of the bridegroom, and Miss Linda West, cousin of the bridegroom, and Miss Gwen Coombes. They were attired alike in floor length dresses of emerald green taupe de sole, styled similarly to the bride's and accented with white Guipure lace

on the bell sleeves and hemline. Their headpieces were of matching pleated taupe de sole and they carried topiary bouquets of shasta 'mums. The flower girl, Miss Lorie Hadley, niece of the bride, wore a floor length gown of white taupe de sole accented with lace appliques and carried a small topiary bouquet of shasta 'mums.

Groomsmen were Mr. Dennis Heasman. Ushers were Mr. Robert West, brother of the bridegroom, and Mr. Stanley Morrow, brother of the bride. Master Philip Brough, cousin of the bride, was ring bearer, dressed in white line suit and white bow tie. He carried a white satin cushion.

At the reception in St. Paul's United Church parlors, Stirling, the bride's mother received the guests, dressed in a taupe brocade suit with brown accessories and a corsage of white gardenias and pink rosebuds. The bridegroom's mother assisted, wearing a teal blue brocade suit with navy accessories and a white gardenia and pink rosebud corsage.

For her wedding trip to Lake Placid the bride donned a camel hair suit with brown accessories and corsage of orange delight roses. On their return, the couple will live at 2425 Keele St., Toronto.

Easter Holidays Set For Schools

This year students will not receive their Easter holidays during the week following Easter, but rather from March 16th to March 24th inclusive.

The students will receive a lesser holiday at Easter which will last four days including Good Friday and Easter Monday.

The concrete holiday date seems to make the Easter examinations a more concrete thing. They will be held during the week preceding the holidays every year.

The holidays varied in the past because they were centred on Easter, a movable religious holiday.

Progress in Agriculture

The Robarts government recognizes the difficulties that face agriculture during these years of change—is taking effective steps including a \$500,000 grant to the new Farm Income Committee; loans for farm modernization; crop insurance at favorable rates; promotion of exports; and the new Capital Grants Plan.

Progress in Taxation

Ontario's 1967 budget showed no increase in taxes. What's more, two Smith Report proposals have already been endorsed to reduce your local tax bill. One gives an allowance of up to \$2,000 of assessment on property; the other takes over the entire cost of justice.

Progress in Housing

H.O.M.E.—the Robarts government plan that reduces down payments, increases ownership—is providing many new homes at manageable cost. And the Ontario Housing Corporation, too, has provided more public housing in three years than the rest of Canada combined in 15. New satellite city plans also promise orderly suburban development.

Progress in Education

For the past five years, an average of 1 1/2 new schools or substantial additions have been opened every day. One new secondary school every two weeks. Five new universities since 1963. Nineteen new Community Colleges. Education grants up 600%. Fast action in education for fast-changing times.

**MR. AND MRS. WILLIAM ARTHUR BURGESS
BURGESS HOLDEN WEDDING**

Rev. W. C. Cox officiated at the marriage September 30th, 1967 at 2:00 p.m. in Bethel United Church, Harold, Ontario. Mrs. Robert Smith was organist and the soloist was Miss Myrna Sine, who rendered the "Twenty-Third Psalm" and "Wedding Prayer." Given in marriage by her father, the bride wore a gown of silk and

laced with sheath skirt. Empire waistline and heart neckline and bodice and lily point sleeves of white lace. A cape of matching lace extended into a chapel train. A satin pillow held her four-tiered veil and she carried a cascade bouquet of orange delphiniums, roses, stephanotis and trailing ivy.

Mrs. James Burgess, Brockville, sister-in-law of the bridegroom, as matron of honour, was attired in a floor length dress of iridescent green brocade with A-line skirt and Empire waistline. Her matching shoulder length veil was held with bronze 'mums' and she carried a colonial bouquet of the same flowers.

The bridesmaids were Cheryl Burley, of Harold; Mrs. Paul Reid, of Ottawa, cousin of the bride; Nancy Finkle, Stirling, and Mrs. John Walker, Toronto, both nursing classmates of the bride. They wore antique gold gowns styled similarly to that of the matron of honour.

Lori Holden, Harold, sister of the bride, was flower girl. She wore a floor length white organza over peau de faillie dress with green sash. Bronze 'mums' held her miniature veil and she carried a basket of bronze 'mums'.

James Burgess, Brockville, was his brother's attendant and the ushers were Joe Stevens, of Belleville, and Elgin Holden, Harold, brother of the bride. Steven McMullen, Belleville, cousin of the bride, was ringbearer.

To receive the guests at the reception at Minto Community Centre, the bride's mother wore a beige crepe dress with coat of dark brown Chantilly lace, brown accessories and a corsage of tangerine carnations. The bridegroom's mother wore an A-line dress in coral colour with matching fur trimmed coat, coral accessories and a corsage of white carnations.

For her wedding trip to eastern points the bride chose a figured chiffon dress in tones of mauve, turquoise and rose over taffeta, black accessor-

ies and accessories of white feathered lace. On their return, the couple will live in Scarborough. Out-of-town guests were present from Toronto, Acton, Brockville, Ottawa, Rochester, Belleville, Trenton, Wellington, Peterborough and Port Hope.

The bride was guest of honour at the following showers: In Toronto with Mrs. Ed. Taylor and Miss Gail Burgess as hostesses; at the home of Mr. and Mrs. Frank Brough, of Foxboro, with Barbara Brough and Nancy Finkle as co-hostesses. Guests were classmates from Belleville General Hospital School of Nursing; at Minto Community Centre with Mrs. Bob Cooney, Jane Clements, Ruth Hagerman and Mrs. John McDonald as co-hostesses. All showers were miscellaneous.

Rev. J. Bruce Small officiated at the marriage September 16th, 1967 at high noon in St. Paul's United Church, Stirling, of Cheryl Jean, daughter of Mr. and Mrs. Ralph Utmann, Stirling R.R. 4, and Robert Arthur, son of Mr. and Mrs. Harry Vandervoort, Stirling R.R. 3. Mrs. Harry Brown, church organist, accompanied the soloist, Mrs. Sandra Cranston, Holloway, in her renditions of the "Wedding Prayer" and "I'll Walk Beside Thee."

Given in marriage by her father, the bride was winsome in a floor

length gown of white corded faille with overlay of chantilly lace and cut-out in a scalloped pattern around the neckline. The lovely straight lines of the gown were enhanced by a long faille ensemble coat which was sleeveless and edged with the same matching lace of the gown but again in a scalloped pattern. The coat was chapel length and flowed out from the fullness of the garment. Her headpiece was a three tier shoulder-length silk illusion veil caught to a crown of seedless pearls and crystal droplets.

She carried a bouquet of Sweetheart roses sprinkled with stephanotis.

The maid-of-honour, Miss Elaine Vandervoort, sister of the groom, and bridesmaids, Joyce Cooney, Frankford; Dianne Russell, Trenton, and Brenda White, Frankford, were identically attired in floor length chiffon over taffeta gowns of Marina blue with flowing chiffon overskirts. The gowns had cowl necklines trimmed with embroidered flowers of green and blue, and short sleeves. Their headpieces were made of matching colour with ribbon flowers and satin leaves with seed pearl centres and were attached to short shoulder length nylon illusion veils. They carried nosegays of white carnations edged with Marina blue.

Groomsmen were Robert Donohoe, Belleville, and the ushers were John Noble, Peter Utmann and Paul Vandervoort.

The reception was held in the Church parlours. The bride's mother received her guests in a silver blue satin pea de soie gown with pink brocade hat and corsage of pink carnations.

The groom's mother assisted in a jade green ensemble with lace coat and brown accessories. Her corsage was gold mums.

For a trip to the Adirondacks, the bride donned a navy and white bonded wool dress with matching jacket. Her accessories were navy and black with a corsage of pink carnations.

Out-of-town guests were present from Toronto, Wooler and Peterborough.

The young couple are residing at 1203 Don Mills Road, Don Mills, Ont.

October 17th is an important day for residents of Ontario. We are given the privilege of really working at democracy instead of merely reading or talking about it. Our Provincial election, October 17th, provides the opportunity for all of us to share the responsibility of living in a free land. Use your vote — it's too precious a privilege and responsibility to ignore. VOTE

Hunting is an exciting sport which demands patient observation, co-ordination, endurance and a quick eye to capture the prize of the hunt. However, hunting microwave and radio antennas and telephone cables requires none of these qualities. Such "hunting" gives you nothing — no physical exercise, no excitement, no reason to brag of success.

In fact, shooting at microwave and radio towers or telephone cables is much more like turning your gun on a friend. These communications networks help you prepare for a hunting trip by carrying reports on weather, forest fires or floods. When hunters become lost or injured, communications again plays a major role in co-ordinating search and rescue efforts to save their lives. You can see then how foolhardy it is to waste ammunition taking pot-shots at one of the hunter's best friends. Communications links could save your life on a hunting trip.

In Southern Africa telephone repairmen have a really gigantic problem. Not hunters, but elephants. The animals have discovered that telephone poles are marvelous back-scratchers and they are causing static by rubbing against the wires. Itchy elephants are a problem we don't have, of course. However, we do consider any problem we try to prevent trouble before it starts — our underground cable is kept under pressure so that we will be warned of any damage or break, we keep a close eye on our overhead cable, and we ask you to please take care when hunting this fall.

How much can you say in a three-minute phone call? A lot. Slow talkers can get in about 450 words, while people who talk fast can whiz through about 750 words. Many important ideas can be expressed in three minutes. Just consider: Lincoln needed only 267 words for the Gettysburg Address and Shakespeare used just 363 for Hamlet's famous soliloquy "To be or not to be." So when you have something to say to someone far away, do try Long Distance — a real bargain. Especially if your calls are within Ontario and Quebec and you call any evening after 8 o'clock or anytime Sunday.

Kingdom Hall of Jehovah's Witnesses Officially Dedicated on Sat. Evening

Walton Lidster Gives The Highlight of Construction Of New Kingdom Hall

The Stirling congregation of Jehovah's Witnesses was very happy to have 137 attend the dedication of their Kingdom Hall on Saturday, October 14th.

The program commenced at 8.00 with Mr. Walton Lidster giving some of the highlights of the construction. Since the work was done by members of the congregation, there were many interesting experiences, and it brought back happy memories to many in the congregation of the pleasant association they had with one another while working together.

He also expressed appreciation to the many townspeople for their co-operation and the help received from them.

Then Mr. John Orser dealt with the subject "How the Organization of Jehovah's Witnesses Functions".

He used the Scripture Matthew 24:14. "And this good news of the kingdom will be preached in all the inhabited earth for a witness to all nations; and then the end will come."

He showed how the Kingdom Hall will be the place in Stirling from which this preaching work will be directed. He also mentioned that there are 24,910 such congregations in the world.

He also said that much literature is printed to build up people's faith in Jehovah God as the Creator and as the one who will bring peace to this troubled earth by means of the Kingdom, for which Jesus taught his followers to pray. Mr. Orser described the 10-storey factory in Brooklyn, N.Y., where this printing is done, which covers three city blocks.

Mr. Floyd Hollenbeck then concluded, showing that even though Jehovah does not dwell in hand-made temples, since the days of Moses he had approved of his people building a place in which to gather to learn about him. He invited all to come to Kingdom Hall, where, each week, three meetings are held and each one is encouraged to become familiar with his own copy of the Bible.

Sunday, October 22nd, "Psalms, a Beautiful Guide to Life", will be the subject of a Bible lecture and all are welcome and no collection taken.

Trent Valley Area W.I. Convention

(By Mrs. Percy MacMullen)

The forty-first meeting of the Trent Valley Area Women's Institutes which comprises seven Districts was held at Club Aragon, Peterborough, on October 5th and 6th. It is known as "The Friendly Convention" and was based on the theme "Seventy Years And Onward".

In February, 1897, Adelaide Hoodless organized the Stoney Creek W.I. in Ontario, the first in the world, and in 1967 A.C.W.W. has a membership in 56 countries.

The Peterborough District served coffee and cookies as the delegates arrived. Over one hundred women were in Centennial costumes at the morning session and there were more in the afternoon. Approximately three hundred Institute women attended the Sessions.

On Thursday morning, the president, Mrs. Harry Shearer, Lakefield, presided with Mrs. John Knox and Mrs. Orville Clements, Norwood, in charge of the assembly singing from the new Centennial souvenir song sheets. Mrs. Gordon McCulloch, of Campbellford, secretary-treasurer, gave a picture of the year's work. The seven District Presidents told of Centennial activities. They were: Peterborough, Mrs. Hy Digweed, Warsaw; Northumberland East, Mrs. Maurice Bulman, Hilton; Northumberland West, Mrs. Charles Burrison, Cobourg; Prince Edward, Mrs. Wellington Jordan, Hillier; Hastings East, Mrs. Jack McLaren, Shannonville; Hastings West, Mrs. Gerald Irvine, Holloway; Hastings North, Mrs. Warren Hill, Madoc.

Miss Helen McKercher, Toronto, Director of Home Economics Service said: "Rural schools and rural churches may be closed up but the Women's Institute will always be a part of the rural community. There are always new ideas but hang on to what you think is best of the old ways and continue to be a good educational rural organization."

In 1967, there was an increase of 147 Homemaking Clubs and 1600 more Club girls.

During the Sessions, each of the convenors reported her work and listed roll calls, topics, etc., that were of interest. Each District provided a short period of entertainment which included music, readings and singing.

All the meals were served at Club Aragon and several were overnight guests at the motel.

In the afternoon there was a grand parade by those in Centennial dress.

Mrs. Everett Small, R.R. 1, Essex, President of The Federated Women's Institutes of Ontario, stressed the high ideals of our organization. She told the story of Pennies for Friendship and said \$5,840.35 was contributed by Canada for the international work of A.C.W.W. this year. She gave a full report of the various expenditures and said: "In short, not a penny of your money is wasted."

Mrs. Ralph Sills, Area Curator, outlined the value of the Tweedsmuir Histories.

Mrs. Percy MacMullen, Public Relations Officer, gave a full itemized report of this department. The 30 Branches spent \$17,345. for Pennies for Friendship, 4-H Club work, sick, shut-ins and bereaved, Centennial projects, recreation, etc.

The Peterborough District sold the balance of their cookies on Friday afternoon and realized \$10.50 which

they presented to the P.R.O. The voluntary penny fund held \$9.50, thus there was \$20.10 to forward to F.W.I.O., Toronto on Tuesday, October 10th. In the six years that Mrs. MacMullen has been promoting the Penny Fund she has forwarded \$111.35 to Toronto from the six Conventions.

In the evening, the new banner was dedicated and Peterborough District provided a 55-minute programme given by Mr. and Mrs. Kevin Leahy and their five children, consisting of music, singing and tap dancing.

On Friday, the two Board Directors, Mrs. Rex Rollins, Madoc, and Mrs. A. J. Calnan, Grafton, gave highlights of District Annals and the election of officers and business followed.

The 1968 Convention will be held in Belleville on October 3rd and 4th.

In the afternoon, the three Home Economics, Miss Doreen Hamill, Peterborough, Miss Mary McEachern, Hastings, and Mrs. Margaret Woolf, Northumberland and Prince Edward, gave a panel discussion. Mrs. Woolf stressed that Institutes are not obliged to sponsor homemaking clubs or to offer prizes for completing projects. Your responsibility is to find leaders and provide their expenses to training schools. The girl pays for her own Club expenses, whatever they may be, food or anything else. The Department of Agriculture gives each girl who successfully completes a project, a certificate. The last Institutes are all wrong when they give spoons or glasses.

Mrs. W. A. Goodfellow, Codrington, delegate to the National Convention, gave her report and slides on the Northwest Territories were shown.

The two retiring officers, Mrs. Harry Shearer and Mrs. Percy MacMullen were the recipients of souvenir Centennial plates.

1967-1968 Officers

President, Mrs. T. M. Gresham, Colborne; 1st Vice-President, Mrs. Clifford Barber, Belleville; 2nd Vice-President, Mrs. Allan Linton, Cobourg; 3rd Vice-President, Mrs. Clifford Reid, Belleville; Secretary-Treasurer, Mrs. Gordon McCulloch, Campbellford; Assistant, Mrs. Percy Ray, Holloway; Public Relations Officer, Mrs. Harry Declair, Queensboro; Board Director for Subdivision 5, Mrs. Rex Rollins, Madoc; Alternate, Mrs. S. R. Beatty, Madoc; Board Director for Subdivision No. 6, Mrs. A. J. Calnan, Grafton; Alternate, Mrs. Floyd Bilcox, Colborne; Tweedsmuir Curator, Mrs. Ralph Sills, Holloway; Assistant, Mrs. Kenneth McMechan, Shannonville.

Convenors of Standing Committees

Resolutions, Mrs. Harry Shearer, Lakefield; Historical Research and Current Events, Mrs. Leonard Trotter, Madoc; Citizenship and Education, Mrs. Everett Phillips, Belleville; Agriculture and Canadian Industries, Mrs. Lorne Reid, Holloway; Home Economics and Health, Mrs. Clarence Mann, Peterborough; Auditors, Mrs. Gordon Macklin and Mrs. Harold Johnson, Cobourg; Junior Institutes, Miss Susan Ayles, Hillier; Convention Committee, Mrs. Grant McLaren, Shannonville; Mrs. W. A. Goodfellow, Codrington; Mrs. Hy Digweed, Warsaw.

Mrs. Gerald Irvine, District President, chartered a bus and 29 ladies from Foxboro and Stirling travelled to the Convention on Thursday morning.

Stirling W.I.

The October meeting of Stirling Women's Institute was held at the home of Mrs. Morley Ayrhart, John St.

President, Mrs. Clifford Clancy, opened the meeting. Ten members and one visitor were present.

Mrs. Clancy gave as her topic, "Canadian Industries," using Canadian cement and products as her theme.

Mrs. Wm. West was programme convenor. Readings were given by Mrs. E. Cooke, Mrs. B. Reid, Mrs. M. Ward, Mrs. D. Luery, Mrs. M. Ayrhart, Miss L. Williams and Mrs. W. West.

Funeral of the Late Frank B. Dewey

The death of Mr. Frank B. Dewey occurred at the Campbellford Memorial Hospital on Sunday, October 1st. He was in his 78th year.

The late Mr. Dewey was born in Seymour, a son of the late Mr. and Mrs. David Dewey and for the past 22 years had lived at R.R. 1, Brighton. He had been in failing health for the past two years. He was a retired farmer. He was a member of United Church and Orange Brethren belonging to Stanwood Lodge.

Surviving are his wife, the former Nettie May Seena, one daughter, Mrs. Earl McMullen (Rose), R.R. 2, Harlow, four sons, Fred and John, R.R. 3, Havelock, Benjamin, of Norwood, and David, of R.R. 1, Brighton, four grandchildren and two great-grandchildren; one sister, Mrs. Phoebe Williams, Bonarlaw; two brothers, Dennis, of Toronto, and Paul, Havelock.

The funeral service was conducted at the Bennett-Weaver Funeral Home on Wednesday, October 4, by Dr. D. M. Smith. The pallbearers were Floyd Simpson, Jack, Peter and John Eyegreen, Lorne MacDonald and George Seena.

Interment was in Victoria cemetery, Belmont Township.

Wellman's U.C.W.

The October meeting of Wellman's United Church Women was held at the home of Mrs. Gerald Russell.

To open the meeting, the president, Mrs. Fred Beckett, read a Thanksgiving hymn, followed by prayer. Mrs. W. Cox had prepared the worship service with Thanksgiving for her theme. The Scripture lesson was read by Mrs. Kenneth Tompkins and the General Thanksgiving, found in the hymnary, was read in unison.

In her meditation, Mrs. Cox emphasized the need for both children and adults to acquire the habit of gratitude. It is natural to enjoy gifts but not all remember to express appreciation. A word of thanks can bring great joy to a faithful teacher or friend. Above all, we must never forget the gift of spiritual cleansing from our Saviour.

Letters of thanks and good wishes to the Wellman's congregation on the occasion of their anniversary were received from Rev. W. G. Fletcher, Rev. F. G. Joblin, Mrs. Jas. Beckel

and Mrs. T. F. Townsend.

The roll call was answered with a Bible verse containing the word "fruit".

Rev. W. C. Cox conducted a Bible study on the 6th chapter of Galatians. The chapter was read verse by verse. Difficult passages were made clear by reference to William Barclay's Commentary and different versions of the Bible. Christians were urged to deal gently with the brother who had made a mistake and restore him with kindness. Each has his own cross to bear but we must not forget the lonely or unfortunate, keeping in mind the grace of our Lord Jesus Christ which we have been so freely given.

Mrs. Beckett thanked Mrs. Russell for opening her home and all who had helped with the meeting and Mr. Cox closed with prayer.

Mrs. Cox staged a contest on the names of hymns and the hostess and her assistants served a delicious lunch.

River Valley W.I.

Mrs. Ernest Carr was hostess on
Wednesday, October 11th, for the
postponed meeting of River Valley
W.I. Fifteen members and three
pre-school children were in attendance.

In the absence of the president,
Mrs. K. Myers opened with the Ode
and Mary Stewart Collect. Mrs.
Ernest Carr presented the minutes
and the treasurer's report was read.
The four convenors gave messages re
the Ploving Match and The Beaver
Lumber Co., The book "Historic Hast-
ings", fabric information and the
idea, "Don't help children with home-
work", Mrs. Percy MacMullen, the
Friendship Link Secretary, displayed
the Christmas gift of three books for
Abbot's Leigh W.I. members and a
card was signed by those in attend-
ance. For public relations, she re-
ported \$20.10 sent to F.W.I.O. pro-
ceeds from the Penny Jar at Peter-
borough.

The 1968 Area Convention will be
held in Belleville, October 3rd and
4th.

The A.C.W.W. convenor read from
The Countrywoman, "What Is the
United Nations Anyway?" It's mil-
lions of people now living in malaria-
free areas because you and I and
thousands of others cared enough to
supply funds, equipment, technical
know-how and personnel to assist in
mosquito eradication and it helps
with many of the world's problems.

Leslie Tucker gathered the pen-
nies. The amount for September was
\$1.44.

The correspondence included thank
you notes, dates of the Senior Train-
ing School and the gift of "Historic
Hastings".

A new member, Mrs. P. DeBruyn,
was presented with an Institute
badge.

The group will cater for a banquet
in November.

Mrs. Roy Tucker presided over the
programme and read a poem "Take
Time". The roll call centred around
"Your 1967 Resolution".

Mrs. Percy MacMullen, the dele-
gate to the Trent Valley Area Con-
vention at Peterborough gave the
highlights of the five sessions. She
also displayed several pictures that
were taken in Peterborough.

The motto, taken from a piano, "Be
square, upright and grand", was pre-
pared by Mrs. R. Coombes and read
by the convenor. The idea of squar-
ing your shoulders to the work
ahead, standing four-square to the
world's temptations and practising
square ideals every day are things we
can understand. To be true, de-
pendable, honest and fair in the In-
stitute world means square as a
piano. To be upright is to be first
considering both sides of a story,
honest in all our dealings and giving
good leadership and supporting what
is fair, true and right. An ordinary
person, pursuing her ideal will un-
consciously become grand with a lo-
fty character which is noble, exalted

and superb. Thus our motto from
the piano is "Be Square, Upright and
Grand".

The November 2nd meeting, based
on Canadian Industries, will be held
at the home of Mrs. Vernon Harry
with Mrs. Gerald Irvine, President of
Hastings West District, paying her
official visit.

The Resolution Convenor, Mrs.
Percy MacMullen, read a message
from Mrs. Leonard Trivers, F.W.I.O.
convenor, which stressed that a care-
ful study should be made of all the
facts before preparing a resolution.
An Institute resolution should pre-
sent its members as a mature and in-

MacMullen then gave a resume of

meeting and the hostess and lunch
committee served refreshments.

Mt. Pleasant U.C.W.

The Thanksgiving meeting of Mount Pleasant U.C.W. was held in the Church Hall, Wednesday evening, October 11th, with twenty-two ladies in attendance. Autumn leaves and vegetables were used for decoration.

The president, Mrs. Burton Sharpe, opened the meeting with a message of "Thankfulness for All Our Wonderful Blessings" and several hymns on that theme were used throughout the meeting.

Mrs. Harry McAdam gave her report and the roll call. Mrs. Grant

Hubble read thank you notes and invitations to English Line U.C.W. and St. John's Anglican, Stirling.

A buying committee was appointed to purchase four tables and some dishes. The U.C.W. are catering for a birthday banquet, a wedding and a sale at Hoard's in November.

The secretary for Christian Education reminded the group of the Regional Rally at Bethel United Church on Monday, October 16th, a workshop at Belleville Tabernacle and a three-day Conference at The Tops Motel in November.

Mrs. Garth Joslin and Mrs. Kenneth Weaver were in charge of the programme which they had planned and they gave the meditation and prayer. Mrs. Will McAdam read the Bible lesson and Mrs. Thomas Cousins gathered the offering.

Mrs. Robert H. Hoard rendered a vocal selection and Mrs. W. C. Cox and Mrs. Mac Sharp contributed a duet "Whispering Hope". Mrs. Ira David read a message on the theme. A short skit "St. Peter At The Golden Gate" was given by Mrs. Kenneth Weaver, Mrs. James Hoard, Mrs. Carleton Potts and Mrs. Harry McAdam.

A discussion quiz followed, after which Mrs. Carleton Potts and Mrs. Burton Sharpe served refreshments.

Bethel-Salem U.C.W.

Mrs. W. C. Cox was hostess for the Bethel Salem U.C.W. on October 12th with Mrs. D. Heath presiding. A Thanksgiving poem was read and the members were asked to remember those who are sick in the community.

Mrs. T. Laycock led in the worship service, opening with the hymn "Come, Ye Thankful People". Mrs. Barron read the Scripture, followed by prayer by Mrs. Laycock, then the hymn, "Come, Let Us Sing". Several Thanksgiving readings were given: "Because of Thy Great Bounty", by Mrs. K. Sine; "Why Should We Be Grateful", by Mrs. F. Reid; "What Are Some Practical Ways in Making Thanksgiving Thanks Living", by Mrs. G. Sine, and "Thanksgiving", by Mrs. W. Kellar. The hymn, "Now Thank We All Our God" was sung and Mrs. Laycock led in prayer.

Master Michael Sine gathered the offering. Sixteen members answered the roll call with "Something For Which To Be Thankful". It was voted that a donation be sent to Five Oaks. Mrs. W. Heath was asked to answer the request on the History of the Church in the community. The nominating committee is to report at the November 9th meeting at Bethel Church Hall.

The hymn, "For the Beauty of the Earth" was sung. Readings were given by Mrs. S. Thompson, "The Garden of God"; Mrs. K. Sine, "Autumn"; Mrs. F. McGee, "Hurry, Worry and Bury". The pianists for the afternoon were Mrs. H. Elliott and Mrs. G. Sine.

Mrs. McGee thanked those taking part in the meeting and the hostesses. A social half hour followed.

CANADA'S CENTURY

A news background special on the Centennial of Confederation

The Prairies Pay Off John A. Macdonald's Reluctant Investment

(Tenth Of A Series)
By WALT McDAYTER

When Canada bought Rupert's Land from Hudson's Bay Company in 1869 for £300,000, Prime Minister John A. Macdonald was far from convinced that he was making a wise investment.

In fact, a few years earlier, he had disclosed in a letter, "I would be quite willing, personally, to leave that whole country a wilderness for the next half century, but I fear if Englishmen do not go there, Yankees will."

And so, Canada's first prime minister purchased the western prairies with a dog-in-the-manger attitude. He didn't particularly want the west, at that time at least, but committed Canada to its purchase rather than let the Americans have it. One of the objectives stressed in Con-

federation was to protect the prairies from American annexation.

The reasons for Macdonald's lack of enthusiasm were many. As a fledgling nation, Canada had little finances for western expansion. Also, Macdonald feared Canada would meet rebellion in the west from three groups — the plains Indians, the half-breed Metis (who in 1869 and 1885 did rebel under Louis Riel's leadership), and the newly-arrived Americans. But even more significant was the fact that at the time of the purchase the economic potential of the prairies looked poor indeed.

Apart from a few fur-trading forts pock-marking the plains, there was little settlement. The descendants of Lord Selkirk's Red River settlement, and a small number of French-Canadians and half-breed Metis

Norm Orwin

Fearing that the new Canadian government was going to force his fellow Metis off their land, Louis Riel led two rebellions in the west. He was hanged at Regina on Nov. 6, 1885.

around St. Boniface, were doing some farming, but they depended more on buffalo meat for their food than on agriculture.

With the province of Manitoba created in 1870, however, the outlook became more promising. Thousands of settlers from Britain, Canada and the U.S., lured by the Free Land Homestead Act of 1872, began to flood into the newly-acquired Canadian prairies.

Some found prairie life too hard. They gave in, packed their few possessions, and with heads bent, returned to an easier life in the east.

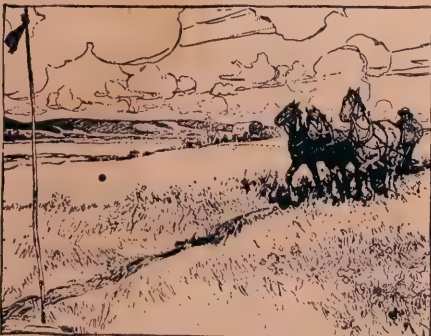

Others stayed. At the turn of the century, prairie population reached 400,000. By 1931, it swelled to almost 2½ million, in the process creating two great new provinces, Saskatchewan and Alberta, in 1905.

Yes, the west was growing. And with it, Canada's prosperity grew, too. Thanks to the rich prairie soil, wheat soon was playing a vital role in Canada's economy.

By 1921, it had become our most valuable export, representing more than 25 per cent. of our entire export trade.

It had not taken the prairies long to repay in full the investment reluctantly made by John A. Macdonald in 1869.

Mrs. Ken Weaver

Guest Speaker

The president introduced the guest speaker for the evening, Mrs. Ken Weaver, who is president of the Presbyterian for this area. Her interesting talk also centered on this season of Thanksgiving. The speaker expressed her thoughts on living each day to the fullest. "Every day is a gift from God. As we grow older, we realize life is not as long as we once thought it was. This is the day — yesterday is gone. We make plans for tomorrow, but today, the day in between, is the day we try to do and be our best. Time is measured by achievements, not by the hours of the day. Wasted time is our greatest sin. Time is also abused by laziness and indifference. A person lacking in vision has no foresight. We should not waste time worrying over past sins but rather plan for the future and take every

opportunity to be constructive and useful."

Mrs. Roy Tucker expressed thanks to the speaker for an inspiring and thought-provoking address.

During the business period, reports from various offices were given. There are many religious shows on T.V. that we should look for and watch, including Wojcek, Hymn Sing, and a Christmas special called "Frost at Midnight" which will be shown in December. Each unit is asked to prepare a 20 minute portion for the November Maple Leaf Jamboree (imaginary bazaar).

A bale of clothing will be packed at the Church on November 16th.

An executive meeting is planned for the evening of November 29th.

Stirling Minor Hockey Association Plan For Nov. 4th Hockey Banquet

On Saturday evening, November 4th, the Stirling Minor Hockey Association has planned the first Hockey Banquet to be held in Stirling for quite a few years.

The Association has been very fortunate in obtaining Mr. Frank Selke, Sr., as guest speaker. Mr. Selke, who has spent most of his life in professional hockey with the Toronto Maple Leafs, as general manager, and with the Montreal Canadiens, as President, will be here to address our hockey players and their fathers and mothers or sisters and brothers. All of us who have heard Mr. Selke on "Hockey Night in Canada" can be assured of a fine evening of hockey entertainment and many stories about the many greats of the professional hockey world.

A dinner will be served at 7 p.m. with admission being \$5.00 for adults (fathers and or mothers) and \$3.00 for hockey players of the Minor Hockey Organizations and students.

Each ticket will also entitle the purchaser to a chance in a draw for 2 tickets to an N.H.L. game at Maple Leaf Gardens between Toronto Maple Leafs and Detroit Red Wings on Saturday, November 25th, 1967.

All hockey fans and supporters are reminded that this event is for them and in support of our Stirling Minor Hockey Association which provides hockey for thirteen teams from Novice to Juvenile in Stirling and surrounding townships, a total of approximately 175 boys.

We wish to emphasize that the mothers, who are usually the ones who take their boys to the Arena, especially on Saturday mornings, are most welcome. This is definitely not a father and son banquet, but intended for all hockey fans, some of the best being mothers.

Tickets on a draw for a clock-radio are available from members of the Association and Booster Buttons are now going on sale. Every fan should wear a booster button in order that we may show others how we support our young hockey players to make them some of the best in the area.

Please obtain your tickets for this banquet as soon as possible. It is hoped that all our players will be in attendance along with their favourite fans — Mom and Dad.

Girls Haven't Changed

Girls haven't changed in the past 80 years, as is shown by the following poem that appeared in The Tweed News, November 17th, 1887: She glanced at the ring on her finger —

A diamond which he had placed there —

The stone shone as true, As her fair eyes of blue, And the gold was a match to her hair,

She smiled at the thought, And whispered in sweet accents low, "Oh thank you, dear Fred!

'Tis lovely!" she said, "Much nicer than Tom gave, you know."

Letter To The Editor From Stirling Wolf Cub Pack Leaders

Cub Leaders Urge Parents To Take A Good Look At What Cubbing Means

Saturday, the 21st was Boy Scout Apple Day. Now, it is called Boy Scout Apple Day, but actually it is the Cubbs who use this method of raising money. In other words, boys in the 8 to 11 year age group. Young, isn't it? And from what we leaders hear, there were older boys and girls who took advantage of the younger Cubbs by taking apples from their baskets and throwing them away. Sad to say, some of the boys who did this had once been Cubbs themselves. When we hear things like this, you wonder if it isn't time that we parents stood back and thought a bit on what Cubbing means; on what Scouting as a whole means. We feel sure that any of you who have or have had a boy in Scouting would agree that the Scout Movement is one of the most worthwhile in the world. But how many of you have ever bothered to ask your boy what it means to him to be a Cub or a Scout, a Venturer or Rover? How many of you have bothered to ask him what he does on Monday or Tuesday between the hours of 7 and 9? How many of you bother to find out if your son has been asked to help with some project, or join in a raffle, or to come the following week with an article to be made in order that he may pass his star work? From where we sit, it looks as if the number is small.

How many times last year did a leader plan a raffle, altering his or her own week end plans in order to do this, only to have a couple of boys turn up at the designated time? Why do many Cubbs miss the church parades? Why did Aleka have to get on the phone Saturday morning and phone all the boys who had promised to be there at 9.30 to sell apples? Why did only 2 boys show up Friday evening when 8 had signed up? Could this be why it is so hard to get Cub leaders, and even harder to hang on to them once we do get them? This apparent disinterest? Do we sound a little browned off? Well, we are. We had been promised help from some of the fathers, and we never even saw one! One boy was watching television when Aleka (Continued on Page Eight)

TIME TO TURN BACK THE CLOCK

This is "catch-up" week-end — when Daylight Saving Time comes to an end, and we turn the clocks back one hour on Saturday night. You might like to turn back the time for other reasons, but with this flip of the hand, you are actually putting away, for another season, sunshine and ushering in what late Fall and Winter usually have in store.

From now until late February, most of us will be getting up in darkness, and returning from work by artificial light.

Be that as it may, we will have one hour's extra rest on Sunday morning — just to prepare us for the rugged days ahead.

Girl Guide Leaders are urgently needed. Anyone interested in helping the Girl Guides, contact Mrs. Bruce Glendinning, Phone 395-2368.

Recover Part of Loot In Jewellery Theft

James Wilde, 19, of Havelock, has been charged with a break-in in Stirling. Police Chief Charles Hicks announced last week end. Wilde is charged with breaking into Burrell's Jewellery Store and stealing \$2,000 in rings and watches.

As well as making an arrest, Chief Hicks was led by Wilde to \$800 worth of the stolen articles. Two other warrants have been issued for two other suspects.

Woman!

Last week the Senior Citizens were only about half there. What I mean is that half of them weren't quite all there. In other words — about fifty percent turnout.

One woman was said to be a year older last week. It was Gertrude Belshaw — She didn't look it.

Another woman was caught passing notes. Look out! We may have another case working up.

It takes a smart woman to decide if a man is too old to be considered eligible or too eligible to be considered old. If you want to sleep alone — Look out, fellows!

Do you know, a woman may not have more backbone than a man, but most of them show more of it. The first woman was made from a man's rib. She started ribbing him young, eh?

Some women feel that they would just as well make a fool out of a man as to let some other girl do it.

A woman is a lady when she never shows her underwear unintentionally. Will Rodgers once said: "I never expected to see the day when woman would get unburned in the places they do now."

Dis Ole Scribe, in a former column, referred to the anonymous "Well Wisher" as "He". Now I am sure I should have changed the sex to "She". Who else but Bert has such a big-hearted "Cook" in his home? We enjoyed the treat of chocolates very much as well as your other acts of kindness to us. There now — I've helped the "Well Wisher" to stay anonymous. I never even mentioned your name — Did I, Lorna?

Dis Ole Scribe personal thanks.

District Governor Visits Rotary

Lloyd Simpson, Sudbury, District Governor of Rotary District No. 701, paid his official visit to the Stirling Rotary Club at its regular weekly dinner meeting held at the "Sterling" Hotel on Tuesday night.

President Dr. Jan Jagaciak chaired the meeting. A rousing sing-song was led by Rotarians Bruce Small and Elwood Bateman.

The District Governor has been a member of the Sudbury Rotary Club for the past twenty-five years. He served as President of that Club in 1948-49 and has held practically all offices in the Sudbury Club. A forer by profession, he now operates the Nickel City Beverages Co., Sudbury.

Mr. Simpson is one of 283 Rotary Governors in all parts of the world who are serving as the representative of Rotary International in districts comprised of member Clubs. More than 12,785 Rotary Clubs in 134 countries are supervised by Rotary Governors. He was elected to office at the Rotary Convention in Nice, France, last May and will serve until next June 30th.

Governor Simpson, in his address, commended the local Club on their attendance record throughout the years. He stressed the importance of membership growth. In his talk he gave the local Rotarians a broader understanding of the world-wide Rotary organization that today embraces more than 613,500 men of practically all nationalities, political and religious beliefs.

The District Governor was introduced by Rotarian Harold Wells and thanks were expressed by Rotarian Jim Boughen, who also presented him with a gift on behalf of the Club. The Rotary Governor and his wife and Mr. and Mrs. Robt. Hulin were entertained at a dinner party Tuesday noon by Dr. and Mrs. Jan Jagaciak.

St. John's Church "Centennial Tea"

A pleasant afternoon and evening were spent at St. John's Anglican Church on Friday, October 20th, as they celebrated Centennial with a tea, bake sale and antique display.

Visitors who joined us viewed a priceless display of antiques, fine china, silver, brass, furniture, a rarely-seen cricket box and a tray of antique watches. The oldest antique was a china plate, 200 years old.

A table of Pakistani embroideries soon disappeared under the tasteful eyes of the patrons.

The Parish Hall was divided into the tea room and bake shop. Such antiques as a spinning wheel, spittoons, oil lamps, iron kettles and butter bowls, filled with vegetables and fruit, added to the decor of the tea room.

The Old Bake Shop, complete with cash register, string holder and candy case, overflowed with good things to eat and proved the most popular spot.

The convenors in charge of this event wish to express through the media of this paper our sincere thanks to each man and woman for your co-operation. We cannot begin to list each name individually. We trust you will accept this as our personal thanks.

"This Business Of Farming"

Low income farmers who wish to improve their knowledge of agriculture will have an opportunity to do so this winter and get paid for doing it. A 16-week course, entitled "This Business of Farming", will be held again this winter at the Quinte Secondary School in Belleville. The course will commence on Monday, December 4th and run for 16 weeks. Hours of instruction will be from 5.15 p.m. to 11.15 p.m., Monday through Friday. The course will feature upgrading rather than re-training and will attempt to bring low income farmers to a realization

of how they might better run their farm operation. The course content will include farm arithmetic, English comprehension, farm economics, bookkeeping, feeds and feeding, livestock management, soils and fertilizer, farm drainage, and farm financing.

The Department of Manpower and Immigration, under their Occupational Training for Adults Program, are sponsoring this course this year. In order to take training, most adults must be provided with an income while training. This is fully covered under the federal program by means of training allowances. These allowances are determined by the number of dependents they support and the information as to the amount they will receive will be told to the applicant when they are interviewed by the Manpower Officers. These allowances are a minimum of \$35.00 a week up to \$90.00 a week.

The course conducted in 1966 was considered a success with 169 starting and 166 graduating. A similar number of applicants can be accommodated this year. Many of the educational programs in the past have benefited the up-to-date fairly-well-off farmers. This course is an attempt to bring the not-so-well-off farmer up to the level where he can afford to pay his way in his home community. Persons interested in attending this 16-week short course should make application at their county Department of Agriculture and Food office, Hastings County office is located at Stirling and the telephone number is 395-3393.

Compensation For Injuries To Persons Aiding Officers

An act to provide compensation for injuries received by persons assisting peace officers was introduced recently by the Honourable A. A. Wishart, Attorney General.

The bill provides for compensation for injuries to persons while assisting police and for compensation for the dependants where death results.

The proposed Law Enforcement Compensation Act sets up a board to adjudicate claims and award the compensation, which will be made from a fund set up by the Legislature.

Under this Bill, payments will be limited to a lump sum of \$10,000 or instalments of \$500 a month.

The proposed Law Enforcement Compensation Board will consist of three to five members appointed by the Provincial Cabinet. It will be empowered to prosecute civil actions toward recovering some or all of the payments from persons involved.

St. Paul's UCW Unit Four

Despite inclement weather, nineteen members met in the Church Hall for their Thanksgiving meeting on Tuesday, October 17th. They were welcomed at the door by Mrs. Ross Bush.

Mrs. Geo. Carlisle, leader, opened with a poem, "The Harvest of the Heart".

Mrs. N. Flindall led in the devotional service, opening with a Thanksgiving Prayer. All repeated Psalm 73 in unison. Mrs. R. Bush read the Scripture taken from Luke 17: 11-19. "Great is Thy Faithfulness" was pleasingly rendered by Mrs. W. de Jong, accompanied by Mrs. H. West. The devotional closed by all repeating "The General Thanksgiving" programme.

Mrs. D. Luery finished the Study Book on The Early Church in Canada tracing the early beginnings of the Anglicans, Methodists, Presbyterians and Baptists in Western Canada. Christian Zeal revealed a spirit of co-operation with other churches which led to the union of the Methodists, Presbyterians and Congregationalists in 1925.

Mrs. E. Warren spoke on the progress of the Centennial Booklet on Stirling and Mrs. N. Flindall on the "Maple Leaf Jamboree".

Mrs. E. Warren and Mrs. H. Waite are working on A History of the Church for the Presbyterian Archivist.

A letter was read from Miss Stevenson, missionary in India, telling

about her work there.

A social half hour with a cup of tea was enjoyed. A vote of thanks to all who had helped with the meeting was tendered by Mrs. M. Rose.

Harold 4-H Club

The first meeting of the project, "A World of Food in Canada" was held on October 4th at the home of Mrs. Akins. The meeting opened with the 4-H pledge. The officers were elected. The leaders, Mrs. Akins and Mrs. Kira distributed the members pamphlets and the members discussed the record books and recipe files.

During a discussion period, working methods of 1967 and 1967 were compared. With all the modern conveniences in the kitchen, it is hard to imagine how the women of long ago ever managed to prepare their meals. The history of Canada and its food were also discussed.

Demonstration
The leader showed the standard measurements and how to measure correctly. Mrs. Akins demonstrated the making of Blueberry Buckle.

Group Work
The girls made succotash, an Indian recipe made with corn and green lima beans. Lemon sauce for the Blueberry Buckle was also prepared.

Home Assignments
Locate and record a recipe handed down in your family and any story connected with it. Begin record book and recipe file.

The meeting closed with the Mizpah Benediction.

The roll call, "What Future Has a Farm Child" was well answered after which a discussion of each member's reply was held.

The minutes of the last two meetings were read and adopted, as the September meeting was a tour of Black Diamond Cheese Plant, the Intelligencer building and the C.J.B.Q. radio station. A dinner was enjoyed at Maple Inn.

Mrs. Bruinsma, convener, and Mrs. Bleecker, assistant, conducted a very interesting question and answer discussion on Agriculture and many other things of interest on Holland.

If You Don't Do Anything Else Today Read This Letter

Dear Driver:

A few weeks ago, I saw a little girl struck by a car as she tried to cross the street. I saw a father race toward her and hold her to him as she struggled in the agony of death. I saw all the plans that had been made for her dashed and I saw the look of despair that came over his face. I could only offer a prayer that such a thing might never happen again.

Today my daughter, who is six years old, started off to school. Her cocker spaniel, whose name is Scoot, watched her leave and whined his belief in the folly of education.

Tonight we talked about school. She told me about the girl who sits in front of her, a girl with yellow curls, and about the boy across the aisle who makes faces, about the teacher who has eyes in the back of her head, about the trees in the school yard and the big girl who does not believe in Santa Claus.

We talked about a lot of things — tremendously vital and unimportant

things. Now, as this is written, she is sound asleep with her doll "Paddy" in her arms.

When her doll gets broken or her head gets bumped, I can fix them. But when she starts across the street — then, Mr. Driver, she is in your hands.

Much as I wish I could, it's not possible for me to be with her all the time. I have to work to pay for her home, her clothes, her education.

So, Mr. Driver, please help me to look out for her. Please drive carefully. Please drive slowly past schools and at intersections. And please remember that sometimes children run from behind parked cars.

Please don't run over my little girl.

With deepest thanks for whatever you can do for her, I am

Very sincerely yours,
(Signed) FATHER

OF MANY THINGS

By Ambrose Hills
HOW TO BE HAPPY
THOUGH MISERABLE

To be a farmer, one ought to be mechanically minded, and I am not. Getting service men to come out to a farm is possible but costly, and usually they don't turn up until they are darn good and ready. The other day my typewriter went on the fritz; the letter "s" came loose, and bobbed around, making a sheet of copy look like something that had been dropped in the henhouse for a day or two.

I called two or three repair people, but they seemed disinterested in making a trip to the farm, unless I wanted a major overhaul on the machine. "Bring it in," said they,

and one guaranteed me that he'd have the "s" back in place in an hour at the most. So I jumped in the car and went in; left the machine with him, and returned in an hour. It wasn't done — they had a busy day. Four hours later, the machine was still sitting on their counter, but with a work order on it — some progress! I looked at the work order and it read, "Fix letter 's' — \$5.50," which was lousy punctuation and terrible news, for I was convinced everything back at the farm was going all to hell in my absence. I felt miserable, so I yanked the work order out of the machine, flung it on the floor, and departed with the typewriter.

At home again, I fed the animals, then came into my den and contemplated the machine. I dug up an old soldering iron, bought some soldering wire from a store up the highway, and came back. I said to myself, I'll give myself one hour to fix that damn machine, and if I can't do it I'll fling it in the pond.

Well, I now realize that \$5.50 is dirt cheap for such a job, and I also realize that the mechanic in the City just didn't want to tackle the job. I'd get the letter in place, work a blob of solder onto it (burning my wrist in the process), then let it cool. It would be too low. I'd start over, heating the soldering iron with my breath by this time, for I was breathing flame in half an hour. Let it cool. Too high. Finally, I gave myself a little lecture. "Look here, Hills, this is a simple job. Relax. Go slowly and gently." I was about as relaxed as a G string, but finally, ten minutes past my deadline, I had the "s" in place!

Boy, was I happy. I had the secret. You can do anything if you just relax a bit, take your time at it, and keep realizing that you are earning at least \$5.50 an hour by doing it yourself.

Next time you want to turn misery into happiness, do some job you thought was beyond you. It'll make you slightly manic and boastful, but it's worth it.

Witching For Water Is Still Popular

In this age of advanced scientific technology, 25,000 Americans still expect a forked twig can lead them to ground water, a geological survey reports.

Advocates of this sort of explanation — called "water witching" — say their science works according to the principle of attraction and repulsion. They claim that when approaching a site beneath which water lies, the butt end of their forked twig will be attracted downward, or, according to some, will rotate.

The use of a twig, or divining rod, to locate ground water has been practised for hundreds of years, although its origin is uncertain. One of the original divining rods could have been mentioned in the Biblical incident in which Moses was said to strike a rock with a rod and water gushed forth.

Despite its rejection by scientists, water witching still is practised mainly in rural communities where the location of an adequate water supply is uncertain, the survey says. People have turned to dowsers for information when they question whether a particular well site will yield enough water to be worth the cost of drilling.

Scientists explain successful water witching by saying that it may be difficult not to find water in a region of adequate rainfall, where the geology is favourable.

Some water exists under the earth's surface almost everywhere, and in some areas water would be hard to miss.

Dowsers disagree on the kind of wood to use for a forked twig, but usually they pick peach, willow hazel and witch hazel. Some, however, use straight sticks, metal rods, wire coat hangers, or even various kinds of elaborate boxes with batteries, electrical instruments and lights.

In addition to locating water and minerals, divining rods have been used to attempt to diagnose and cure disease, to determine the sex of an unborn child, to detect criminals, to analyze personal character and to trace lost domestic animals.

In Europe, the divining rod was used first in Germany to locate minerals and also for discovering buried treasure. During the late sixteenth century it was introduced in England to locate mineral deposits. Soon afterward countries throughout Eur-

ope began to use the rod to discover water.

Opponents of water witching condemned it as superstition. Some said the twig was moved by a satanic influence. Others claimed the practitioner, or dowser, received his power from God. In 1618, Martin Luther declared that the use of the rod violated holy commandments.

Health Tip From The Ontario Medical Assoc.**BLUE BABIES**

The term "blue babies" has over the years been applied to babies born with congenital heart defects in which the blood does not take up as much oxygen as it does in a normal person. Consequently the baby's finger tips and lips look blue.

The likelihood of a baby being born with a heart defect in which blueness is a factor is much less than one in 100, according to the Ontario Medical Association. Before 1949 there was nothing that could be done for these babies. Most of them lived short, unhappy lives, short of breath and unable to cope with the normal activity of a growing child. With the development of the Taussig-Ballock operation it is possible to create an extra connection which allows more blood to go to the lung. This removes the blueness and the baby is able to get more oxygen into its blood and to carry on much more like a normal child. Several hundreds of these operations have been done in this country and elsewhere.

In recent years, with the development of open-heart surgery, it has become possible to do a curative operation. Using the heart-lung machine, the defects inside the heart can be completely corrected with relatively little risk, the O.M.A. reports.

Some babies have this condition in such a severe form that they have to have the Taussig-Ballock surgery to help them live long enough in order to have the curative surgery.

Dimwit Driving

It is self-evident that many traffic accidents are the result of stupidity, says the Ontario Safety League. Newspaper reports of tragedies often reveal evidence of utter folly. Such as teenagers who try to switch cars while driving down hill, side by side; men so befuddled by drink that they speed for miles down the wrong side of a divided highway; young lives lost as a result of playing "chicken".

The best drivers are usually clever people, according to a study by Professor Hans Eysenck, when head of the Psychological Department of London University. Reckless driving is not only stupid in itself — it is often the sign of a person of below-average intelligence.

Tests proved, he said, that people with an average intelligence quotient of 80 (the average is between 100 and 110) had many more accidents than people with a higher IQ. He felt that considerable caution should

be shown before granting licences to the dullest 20 per cent of the population.

Dull-witted people prefer to conceal their deficiency, as a rule. But when driving, they often advertise it, blatantly.

Perhaps the standard of driving on the roads today would rise if society as a whole treated bad driving as a manifestation of sub-normal intelligence. Too many people glorify reckless, aggressive behaviour behind the wheel. To some minds, to drive dangerously and unselfishly is to show courage and strength of character.

This sort of "courage" never impresses those who have to deal with the aftermath of a traffic crash — police, ambulance attendants, distraught relatives. Whether or not brains and good driving always go together, says the Ontario Safety League, there is no doubt that recklessness in a car is always a mark of stupidity.
